Jagodasto voće!

Bosna i Hercegovina je 12. država na svijetu po izvozu **maline** (po podacima iz 2016.), a ni ostala jagodasta voća poput **jagode, kupine, borovnice i ribizle** ne zaostaju toliko. Doprinesite svojim vrtom ovoj divnoj statistici.

Na Agmentoru možete istražiti tehnologije uzgoja ne samo za najpopularnije sadnice već i za one koje tek treba da dosegnu svoju popularnost poput **sibirske i sjeverno-američke borovnice**.
