

On the 11th and 12th of April 2008, a consultation was held with following topic:
"The reform of higher education and application of Bologna principals on the University in Sarajevo".

As part of the consultations, Tempus project CD_JEP_40035 was introduced, Prof. Nermina Spaho presented the experiences so far in the process of the implementation of graduate study as part of the above mentioned project, according to the Bologna principals. This presentation aroused interest of colleges from other Faculties, which lead to a discussion about many issues concerning the implementation of Bologna system in the second cycle of studies.

IZVOĐENJE POSTDIPLOMSKOG STUDIJA U SKLADU SA BOLONJSKIM PROCESOM

Predstavljanje projekta Tempus_JEP_CD_40035 „Izgradnja Evropskog sistema obrazovanja u oblasti nauke o hrani u BiH“.
